

KODAWEST

WHERE KIDS OF DEAF ADULTS UNITE

Here are some fundraising opportunities to help pay your child's camp fees:

Car Wash

Some families who want to raise money for camp fees come together and offer to wash cars for one day and raise enough money to pay for more than one child.

Bake Sales

If there is a local event that gives you permission to set up a table and sell your baked goods, like cookies. This will be a great way to help pay for your camp fees.

Garage Sales

Some campers are having garage sales to raise money to pay for their fees!

Recycle Cans/Bottles

Some have suggested that collecting cans and bottles and cashing them in which can bring in pretty good money.

Service Clubs

Writing a letter to your local Kiwanis Club, Rotary Club and Lions Clubs can be a successful way to get support.

"I Am A KODA" Campaign Letter

You can download the campaign letter from the KODAWest website, www.kodawest.org (in the camp section) and fill it out and mail them to your relatives you think can help pay part or all of your camp fees.

Scholarships

This year, since sponsorship and donations are low, we are expecting parents to take advantage of the fundraising opportunities mentioned above. Scholarship assistance will depend on funding availability. To request an application, email kodawest@aol.com.
